Nairobi, Kenya

Summary

Versatile software engineer works well both as part of team and independently. Proficient in a variety of programming languages, including JavaScript and Python, and experienced in both frontend and backend technologies. Eager to contribute my technical expertise and creativity to a dynamic software development team.

Experience

Software Engineering student

Moringa School • Nairobi, Kenya

05/2023 - 11/2023

During my studies, I actively engaged in a variety of academic projects, showcasing my proficiency in both dynamic and static website development.

Wrote and developed new and well-tested code for different software projects.

Aligned projects with requirements and specifications to deliver above-benchmark results.

Skills

Web Development, Backend Development, Database Management, Version Control, Front-End Development

Education

Software Engineering

Moringa School • Nairobi, Kenya

11/2023

Completed an intensive and comprehensive Full Stack Software Engineering program at Moringa School, a leading institution known for its hands-on and project-based learning approach.
